Dear Professor Huston.

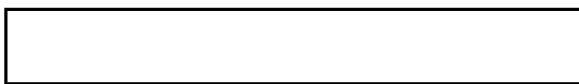

Just a line to thank  
you for your kind hospitality at dinner last night  
and for the opportunity to speak to the cadets  
who are history students. It was a very  
rewarding experience to be in touch with  
these bright young minds.

My congratulations  
also on your nomination for promotion to  
Major General. It was a very pleasant  
memorable evening and I am much in your  
debt.

Faithfully  
Kearns A. Walter  
Lieutenant General US Army  
Deputy Director of C.I.A.
